ABOUT ST. MARGARET'S

We believe that the greatest gift we can offer an individual is the knowledge that they are loved by God, through Jesus Christ.

St. Margaret of Scotland Episcopal Church is part of the Diocese of Los Angeles, a community of congregations spanning all of Los Angeles, Orange, San Bernardino, Santa Barbara and Ventura counties and part of Riverside County.

St. Margaret's Episcopal Church is a Christ-centered, grace-based, biblically-oriented, sacramental church in which all persons are invited to worship.

We are a growing community comprised of many families, singles, couples and seniors.

One of our primary goals is to meet the spiritual and emotional needs of children in all age groups by offering a nurturing and spiritual environment, which introduces them to Jesus Christ.
